

Students of today, Experts of tomorrow

European Plasticsers - the trade association representing the producers of plasticisers in Europe – is launching the second edition of its call for the best student essays on plasticisers and/or flexible PVC applications.

REGISTER BY 29 OCTOBER 2021

SUBMIT YOUR ESSAY BY 19 NOVEMBER 2021

The submitted essays will have to address one or more of the following topics:

- **Category 1** - Sustainable Design: Use of flexible PVC for sustainable solutions
- **Category 2** - Innovation: Innovative use of plasticisers in vinyl or other polymer applications
- **Category 3** – Sustainability Performance: Sustainability performance assessment on the use of virgin or recycled flexible vinyl

> **First prize is a laptop and/or a smartphone (worth up to 1,500€)**

> **Second prize is a tablet (worth up to 500€)**
